

**Book of Acts**  
**(January 19 – May 11, 2021)**  
**Ordering Materials ~ January 4**  
**Course Description**

A study of the book of Acts, which is Luke’s account of how Christianity overcame various obstacles to spread throughout the Roman world during the first Christian century. The Book of Acts is a very important New Testament book. It whets our appetite for the epistles by making us familiar with the authors. Acts also shows Jesus at work through His Church. It appears that very soon (if not already) our culture is going to be very similar to that of the early church. We can learn much from the book of Acts.
