

## BOOK TRIVIA CHALLENGE!

We want to encourage your youth to read through the book of Joshua before they come to camp! In order to do that, each day of camp will have an activity time with trivia questions. Your church group will be asked to participate and show the knowledge they've gained in studying through the book! The church that scores the most cumulative points will be crowned the winners!

Student leaders, take this opportunity to encourage your students to read through Joshua! Be creative and find ways to make memorizing facts from the book fun!
