

Association Report

As the new year begins, I always try to refocus and remind myself of my purpose. As a believer, I believe my purpose is to know Jesus and to make Him known. We have a purpose statement at our church that we try and live out as a body of believers. We also have a purpose statement for our association, which states:

“[The] Ouachita Baptist Association exists to communicate the values of Christ’s kingdom in order to develop strategic partnerships to advance the gospel to the ends of the earth.”

Our association’s purpose is to partner together to advance the gospel in our communities and to the ends of the earth. I count it a privilege to serve alongside the pastors in our association and serve the churches in the association to help fulfill this purpose.

My prayer for this year is that the Lord would open doors for our association for us to advance the gospel and draw us closer as churches and believers in order to fulfill our purpose. Would you join me in this prayer?

In Christ,
Brett
