

Letter from the Associational Missionary

This summer is already off to the races! Some of the things that have taken place over the last month are:

- We had a missionary come and share at the OBA office with several about the work that he and his wife are doing with college students in New York City.
- We had a very successful work day at the Assembly. We had around 40 people from eight different churches spend most of the day helping prepare the Assembly for ministry this summer.
- We had 47 participants from eight different churches turn in Bible reading challenges stating that they had read through the book of Genesis and memorized five key passages.
- We had a skeet shoot in Vandervoort to reach out to our community with the gospel. We had great participation from our churches and a great time reaching out to those who were in attendance.

Over the next couple of months, Vacation Bible Schools will be taking place in our churches, and camps will be taking place at the Assembly. Please use the bulletin inserts that were mailed out to pray for each VBS and camp. Pray that there will be a great harvest and that these will make a great impact for God's kingdom. I've already heard great reports of the Bible schools that have taken place and am excited about what is yet to come.

Grace and Peace,

Brett Lee
